

## **Immunocal Booster Energy Performance**

“The healthy energy alternative” for rapid and sustained energy with the exclusive blend of 3 natural caffeine sources:

- Green tea leaf extract
- Green coffee bean extract
- Guarana seed extract

This booster is powered by the exclusive Nrf2 catalyst containing the most powerful Nrf2 switch on the market today:

- Sulforaphane or broccoli seed extract. Sulforaphane activates the body’s natural detoxification system
- Selenium teams up with glutathione to strengthen antioxidant defenses

Immunocal provides the building blocks for the production of glutathione, your body’s master antioxidant. The booster makes Immunocal work harder and last longer and improves the mixability of Immunocal.

### **Immunocal Booster Energy Performance** contains:

- Vitamins A and B12
- Selenium (Selenomethionine)
- Caffeine (Camellia sinensis leaf)
- Caffeine (Coffea canephora seed)
- Guarana 3:1 extract (22% caffeine; Paullinia cupana seed)
